Pro-Synthetic Media

Waterproof, greaseproof and tearproof.

It's tough stuff

Eliminates the need to laminate, saving you time and money

Pro-Synthetic Media It's tougher than paper

Need media that's going to withstand the test of time? Then take a look at Ricoh's innovative Pro-Synthetic range. It gives you all the strength of polyester with the printing quality of paper.

It means that you can depend upon print media that delivers superior image vibrancy, stability and durability, come rain or shine.

Also because it's tougher than paper there's no need to laminate - saving you time and money.

Let's you print on demand quickly and easily too.

So many benefits

- No lamination required think of the time and money that saves!
- Waterproof, weatherproof, greaseproof, wipeable, punchable
- Tearproof and static-free, withstand extreme temps from -40°C to 120°C
- Print on demand quickly and easily. With superb runnability
- Alcohol resistant
- UV longevity fade resistant and tough removing the need to reprint or replace
- Extensive range including translucent/ opaque/frosted/MetaliK[™] and available in bespoke Pantone match colours
- Optimised to work across Ricoh Pro C printer range and other printers subject to manufacturers' guidelines

Pro-Synthetic will withstand:

No lamination required

Even more applications

- Internal and external signage
- Point of Sale displays
- Menus
- Event passes
- Recipe cards, horticultural tags
- Maps
- Parking permits
- Drum and shipping labels
- Helps you combat MRSA and other superbugs. Tough enough for constant wipe-clean use with sanitising fluids
- Industrial tags, tamper evident labels, long-lasting manuals

Pro-Synthetic Media

An innovative choice

White For image quality that weathers it all

Pastel and vivid tints For tougher, higher impact

Speciality Custom colours and sizes, perforated and punched to your requirements

MetaliK[™] Highly reflective to add real punch

Pre-Designed Ready to personalise, print and go

Adhesive In white or clear, it's the media you'll stick with

Takes the rough with the smooth

Marine & Oil Industries

Ricoh Pro-Synthetic is what you need for anything from sailing to shipping, oil drum labels to diving maps/guides. Pro-Synthetic is manufactured to withstand all weathers and tough sea environments.

Medical

Pro-Synthetic offers the durability and versatility that is vital in a wide range of medical applications. It's waterproof, tearproof, cleanable, alcoholresistant and can be written on.

Hospitality

Waterproof, tearproof and cleanable, Pro-Synthetic is a natural choice for the hospitality industry right across restaurants and bars to hotels and cruise ships.

Retail

From special promotions to day-to-day labelling and signage – with Pro-Synthetic media you can depend upon tough, waterproof, tearproof, cleanable signs wherever you need them in-store.

Sport & Recreation

Waterproof, rugged and tearproof event and direction signs, competitor numbers, spectator instructions.

Government & Local Councils

With Pro-Synthetic you benefit from tearproof and waterproof public notices, durable documentation and there's no need to waste time and money over laminating.

Horticultural

Pro-Synthetic is ideal for the horticultural industry where durable waterproof and washable signs, labels and tags are a necessity.

Military

Signage, labels, manuals, maps – all waterproof, tearproof and chemical resistant – there are so many uses for Pro-Synthetic both out in the field and back at base.

Industrial

Mining, drilling, construction, demolition, chemical hazards – you need a media that ensures your signage, manuals and documents can handle it all.

Education

From durable signs to removable self-adhesive posters, Pro-Synthetic media offers you the longlasting, waterproof and tearproof solution with no need to laminate.

Transport & Travel

With Pro-Synthetic you can print waterproof, tearproof and washable menus, safety cards, tickets and ID badges.

Tough credentials

On the one hand, Ricoh Pro-Synthetic media is tough stuff that can take whatever the environment throws at it and can withstand extremes of temperature from -40°C to 120°C*. On the other, it makes printing a breeze. With high opacity for full colour printing on high-speed digital presses it offers controlled electrical charge characteristics. This enables vibrant imaging with no static-related feed problems even when duplexed.

Take our challenge

At Ricoh, we pride ourselves on offering an exceptional standard of customer service and support. We'll do everything we can to help and support you to drive your business forward. That's why we're offering you the chance to put us to the test.

See how you'll save on time and materials

Think of the time you'll save not having to laminate. Then consider the cost saving on lamination materials, machines and maintenance. It all adds up. That's why Pro-Synthetic media makes sound sense all round. Call one of our representatives and discuss your needs. We'll run a total cost comparison vs. lamination using our R.O.I calculator to show you.

Even more reason for partnering with us

With us you will have an experienced media professional as your main point of contact. Our expert will work with you to understand your expectations and goals. Importantly, what you experience will be a highly responsive service that involves close account management by someone who will keep on top of your order cycles and introduce new products when required.

Call us on 0207 655 0655 Or email us on mediasupplies@ricoh.co.uk

With us you can depend on

- Access to a reliable and knowledgeable contact
- Long term business relationship development
- Best possible pricing for the strictest budget
- Fast access to samples
- Effective sourcing of affordable products
